Child Safety and Working With Children Check

- All coaches, judges, officials, vendors and volunteers are required to present themselves to an authorised club person with their current and valid WWCC or VIT card and complete the sign-in sheet per day of competition prior to access to the field of play;
- It is also a requirement for coaches and judges to include their Technical Membership number when signing in;
- Coaches, judges, officials, vendors and volunteers should be easily identifiable on the field of play by means of either a wrist band or stamp to ensure they have presented their WWCC or VIT; and
- WWCC and VIT cards must be presented visually. A number alone is not sufficient, however a clear photograph of the card (on a mobile phone or similar) will satisfy the requirement. Persons under 18 are not required to have a WWCC, however it is highly recommended
- Coaches, judges, officials, vendors and volunteers unable to provide a current and valid WWCC or VIT card at all 2018 GV Events will NOT be permitted access to the field of play or to continue in their role at the event, and will NOT be eligible to receive updating points or a judge honorarium (this will be administered by GV following the event).
